The following is an examiner's statement of reasons for allowance: All rejections present in the previous Office action were withdrawn based on a lack of a prima facie case of obviousness or anticipation against the claims as presently amended.

Hyashihara et al. (EP 0814126) is the closest prior art. However the use of applicants' specific block copolymers is not disclosed or suggested.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.
